3. Supervising the Board of Management by the Board of Directors:

The Board of Directors supervised the Board of Management in operational management to implement the Board's resolutions and decisions:

- The General Management managed and operated the Corporation's activities in accordance with its assigned functions and responsibilities. It reported to and sought guidance from the Board of Directors on significant, exceptional matters and matters falling within the decision-making authority of the Board of Directors,

and ensured the proper implementation of the Board of Directors' resolutions and decisions.

- Reported on the Corporation's business performance, financial position, and the operating status of its member companies. These reports were presented by the General Director at meetings of the Board of Directors. Any issues arising during the course of management and operation were promptly reported to the Board of Directors for consideration and guidance.

- Proactively prepared the documentation for the 2026 Annual General Meeting of Shareholders and the 2026–2031 term, and submitted it to the Board of Directors for presentation to the General Meeting of Shareholders for approval.

- Organized the implementation of financial supervision of subsidiaries in accordance with the Supervision Regulations issued by the Corporation. Supervision results were truthful, objective, and accurately reflected the operational status of the units.

- Actively resolved outstanding issues regarding unfinished contracts/projects at the Parent Company, achieving positive results.

- Actively and proactively developed and amended regulations and rules to align with the enterprise's operational situation, creating a legal basis for corporate management.

3. Supervising Board of Directors, Board of Management and shareholders by Board of Supervisors:

In early 2026, the Supervisory Board met and assigned specific tasks to each member of the Board.

- The Supervisory Board supervised the management activities of the Board of Directors and the executive management of the Board of Management in accordance with the Supervisory Board's Charter, and monitored the procedures for convening and organizing the Annual General Meeting of Shareholders to ensure compliance with applicable laws and the Corporation's Charter.

- The Head of the Supervisory Board attended all meetings of the Board of Directors and the Board of Management. The Supervisory Board monitored the resolutions and decisions issued by the Board of Directors in order to keep abreast of management directives relating to business operations and to supervise the implementation of duties by the Board of Directors and the Board of Management.

- The Supervisory Board coordinated with the Task Force of the Finance and Accounting Department and other relevant departments of the Corporation to examine the 2025 financial statements and supervise the financial activities of the Corporation's member units.

- The Supervisory Board reviewed the audited 2025 Consolidated Financial Statements and Combined Financial Statements, which were audited by CPA Vietnam Auditing Company Limited.

- Reported to the Annual General Meeting of Shareholders on: The operational results of the Supervisory Board in 2025 and its operating plan for 2026; MIE's business performance; The performance of the Board of Directors and the General Director during the 2021–2026 term and the operational plan for the 2026–2031 term; and The self-assessment report on the performance of the Supervisory Board and its members in 2025 and for the 2021-2026 term.

- The Supervisory Board submitted to the Annual General Meeting of Shareholders the proposal on the appointment of the independent auditor for the Corporation's 2026 financial statements.

- The Supervisory Board performed other duties in accordance with the Charter on the Organization and Operation of the Supervisory Board and the

applicable laws governing the powers and responsibilities of the Supervisory Board.

4. Coordination between the Supervisory Board, the Board of Directors and the Board of Management:

The Supervisory Board, the Board of Directors, the Board of Management and the Corporation's management personnel maintained close coordination in the management and administration of the Corporation, contributing to the prevention and mitigation of operational risks.

The Board of Directors and the General Director made timely and accurate disclosures in accordance with applicable laws. Basic information regarding the Corporation's business operations and financial position was publicly disclosed on the Corporation's website.

The Board of Directors and the Board of Management facilitated the Supervisory Board's inspection and supervisory activities by providing access to information and documents relating to the Corporation's business operations upon request.

5. Other activities of the Board of Supervisors: None
